50 Acres on Brady Lake

Brady, Texas

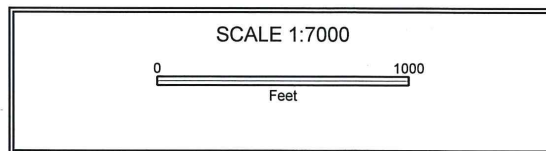

A Sportsman's paradise! Fifty acres on Brady Lake with almost a mile of shoreline. Heavily wooded and abound with Whitetail deer and Axis, this tract sits at the end of a county road off FM 2028. Electricity is available at the highway and water well possibilities are high in this area. There are remnants of an old farmstead on the property.

The beach along the shoreline is not muddy but covered with small rocks and pebbles. This land is outside the city limits and with a little work could be a wonderful get-away place. Call for details.
