125 Parkview Drive
Brady, Texas

ABOUT OUR PROPERTY

This home features an open concept with 2,245 square feet under central heat and air. The kitchen is equipped with a large island and all counter-tops are polished granite. This house has two master suites, both with walk-in closets. One of which sports a large garden tub. Outside is a 400 square foot workshop and a substantial back porch facing the east. Ideal for summer evenings out if the sun. This gorgeous home is quite possibly the newest house in town. Metal roof, stucco, and an enclosed, two-car garage plus a circular driveway.

**As per McCulloch CAD*
