

PROPERTY
FOR SALE

617 North Bridge Street
Brady, Texas

ABOUT OUR PROPERTY

Beautiful three-bedroom, two bath brick home. This beauty also has a 400 square foot guest quarters or pool house. This residence has 2554 square feet under central heat and air. It has been recently remodeled and features an open floor plan. The kitchen is outfitted with granite countertops, a large island, and stainless-steel appliances. The open concept entails the kitchen, living, and dining all in one large open area. Much new flooring but also some original hardwood. The master bedroom features a wood burning fireplace and a walk-in closet. The backyard features a wonderful pool with plenty of surrounding concrete. The guest house has a fully equipped kitchen, living area, bath, and a separate bedroom. The original garage has been converted into a gym and exercise room.
