135 Lakeview Drive
Brady, Texas

ABOUT OUR PROPERTY

Very nice neighborhood next to Brady Lake. This three bedroom, two and a half bath home has an open concept living and kitchen area with 1804* square feet of living space under central heat and air. The living area features vaulted ceilings, a wet bar, and a large island. Very appropriate for entertaining. All bedrooms have sliding glass doors that open to the back porch and the beautiful view of the lake. This home additionally has a large utility with storage closet, two vehicle carport, and a storage building. A short walk through your back yard leads to your own fishing dock.

**As per McCulloch CAD*
